

5 WAYS YOU CAN PREVENT GUN VIOLENCE

1

Don't ignore signs of domestic violence. Call the police if you suspect someone is being abused.

2

Nominate your city for Advance Peace.

3

Always ask if there is an unlocked gun in homes where your children play.

4

Urge your doctor and medical professionals to ask their patients if there are guns in the home.

5

Spread the word about Hope and Heal Fund to your friends, family and networks and let them know how they can donate and partner with us.
