## A Note from the Executive Director

Dear Hope and Heal Fund Partners & Friends,

We are thrilled to share the [Hope and Heal Fund 2023 Impact Report](#), a vibrant reflection of our collective journey toward reducing firearm injuries, deaths, and trauma.

Our report highlights key achievements, groundbreaking initiatives, and inspiring stories of resilience and change from the last year. From pioneering GIS mapping training to empowering historically marginalized communities, we're driving forward with bold strategies and transformative efforts.
